

# Curio

Bringing collectables into the digital world.

## CURIO GAME TOKEN (CUR) - JUNE 2019

### VISION

Curio will break down the barriers to entry the market of lucrative collectibles. Everyone shall be able to invest in alternative assets.

### TIMELINE

#### Curio Invest Platform

Curio Invest is using blockchain technology to tokenize collectibles.

This enables investors of all income levels to access the lucrative collectibles market and diversify their investment by purchasing tokens in multiple vehicles. In the near future Curio will launch an STO per car.

Learn more about us on [CurioInvest.com](http://CurioInvest.com)!

#### JUNE 2019 - INTRODUCTION OF CURIO GAME

Curio plans to expand globally! Hence, to celebrate Curio is a global finalist at a renown Startup Competition called Blockbattle in Korea, we are launching a Curio Game where you can play by using CUR Tokens as lives in the Curio Game. Get your CUR Tokens to hear news about our roadmap and win exciting prizes. Don't forget to also vote for us!

#### 2020 - INTRODUCTION OF THE VIRTUAL EXHIBITION

Holding our utility token gives access to features in the virtual exhibition room, which reflects the future investments made on the Curio Invest platform. (Example: user holds 20% of all LaFerrari token, -> by staking tokens user has the right to display this in his virtual gallery, 20% of the AR Ferrari is yours)

Other features would include utilities such as:

#### Park your Ferrari where you want

Display your collectibles wherever you want in the virtual world.
